CONTENT DEVELOPMENT & ACQUISITIONS
TELUGU ORIGINALS | FILM & SERIES

Hyderabad, India | +91 9110390935 | anilboreddy@gmail.com

SUMMARY

Telugu filmmaker, writer and producer with 12+ years across features, original series and branded content. Created, wrote, directed and produced Thulasivanam (ETV Win, 2024), taking responsibility for development, production budgets, OTT sale and delivery. Combines editorial judgement and Telugu audience sensibility with practical experience of bringing projects to screen. Brings this perspective to content development and acquisition recommendations, with a focus on story potential, creator collaboration, production feasibility and platform fit.

SKILLS

- Story Selection & Evaluation
- Original Content Development
- Telugu Audience & Platform Fit
- Creator Collaboration & Development Feedback
- Pitching & Project Packaging
- Budget & Cost Management
- Production Planning & Schedule Coordination
- OTT Sales & Platform Liaison
- Editing & Post-Production
- Final Delivery Coordination

EDUCATION

BACHELOR OF ARCHITECTURE

Jawaharlal Nehru Architecture and Fine Arts University (JNAFAU),
Hyderabad
2009 - 2014

EXPERIENCE

CREATOR, WRITER, DIRECTOR & PRODUCER THULASIVANAM | ORIGINAL TELUGU SERIES

ETV WIN | RELEASED 2024

- Created the original Telugu series and wrote the full-season screenplay and dialogues, developing its world, characters and narrative arcs.
- Produced and directed the series with responsibility for the overall production budget and day-to-day spending decisions, alongside casting, locations and on-set execution.
- Managed the sale of the series to ETV Win and direct discussions with the platform through release.
- Supervised edit, sound and colour through final delivery, coordinating creative and technical teams.

ASSISTANT DIRECTOR / PRODUCTION EXECUTIVE

VG Media | 2015 - 2019

- Pelli Choopulu - Assistant Director; Ee Nagarani Ki Emaindi - Chief Assistant Director.
- Coordinated directors, producers and departments across preparation, filming and post-production to keep work on schedule.
- Supported edit reviews, pickups, release planning and promotional materials within a hands-on core team.

DEVELOPMENT APPROACH

Work with creators to turn promising ideas into clear, producible projects. Shape the premise, characters and format through focused development discussions; translate the creative intent into production plans; and stay involved through post-production and delivery. Experience across writing, direction, editing and producing helps connect story decisions with the practical work required to bring them to screen.

CREATIVE DEVELOPMENT AND TOOL STACK

PICKING STORIES

Story exploration

Assess premise, character arcs and audience appeal.

Visual grammar

Evaluate tone, visual world and fit for film or series.

Packaging & feasibility

Consider format, talent needs, budget and production scope.

Acquisition suggestions

Apply creative judgement to recommend stories with audience and platform fit.

Writing & Development

- Final Draft, Celtx

Pitching & Visual Ideation

- Canva, ChatGPT

EXPERIENCE

WRITER, EDITOR & FILMMAKER BRANDED & COMMISSIONED FILMS

2014 - Present

- Develops concepts and scripts for branded and commissioned films, shaping client briefs into clear stories.
- Shapes films and series pilots through structure, performance and pacing, bringing editorial judgement to development.
- Collaborates with clients, cinematographers, sound designers and colourists, aligning creative intent with production plans and final delivery.
- Creates trailers, teasers and platform-specific edits that communicate the core story and adapt long-form material for different audiences.
- Applies AI to story exploration, visual references, animatics and pitch preparation, using creative judgement to refine the material.
